PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The introduction is too long and is looking more like a literature review section. The authors should emphasize the need of their research and present the objectives of the research. The methodology is not very clear. Please give more details about the indicators that you used. The discussion section is missing, please added.	
Minor REVISION comments		
Optional/General comments
