SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	It is important to explain in Abstract section, the geographic zone from flours collection, and the season.	
<u>Minor</u> REVISION comments	In Material and Methods. Is recommended to complete the name laboratory not lab. It is very important to explain the determination of daily intake of nutritional compounds taking a count the child weight, and not only by Concentration X consume.	
<u>Optional/General</u> comments	It is recommended, to mention the need of flours monitoring in all the year, including different seasons.
