

**Editor's comment:**

This manuscript needs to be minor modify.

It need to adding of the full form of ACON, HBsAg in abstract part.

What is ANC? is it stand for ATTENDING ANTE-NATAL CLINIC  
in study population part of the manuscript.

**Author's feedback:**

ACON: Lab ACON Hangzhou Biotest Biotech Co., Ltd

HBsAg : mean Hepatitis B surface antigen (HBsAg)

ANC : stand for Ante-natal clinic (ANC)
