PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Abstract</p> <ol style="list-style-type: none"> The corrected abstract by the author is appreciable. Now, only need a minor arrangement. <p>Introduction</p> <ol style="list-style-type: none"> Introduction portion is well arranged and could fulfil the requirements. A minor arrangement is recommended in the text. <p>Materials and methods</p> <ol style="list-style-type: none"> Software name like SPSS or SAS etc. can be mentioned for clear representation. This section has improved a lot. A very minor corrections are recommended in the text. <p>Results and discussion</p> <ol style="list-style-type: none"> Please use only recommended format for mentioning Table caption, such as, 'Table 1'. Please insert some values in the recommended parts for more attractive representation. A very minor corrections are recommended for betterment. <p>Conclusion</p> <ol style="list-style-type: none"> The ending of the manuscript is nice and standard. <p>References</p> <ol style="list-style-type: none"> This portion needs much more improvement. References need to arrange according to the recommended format of Asian Journal of Research in Agriculture and Forestry. Two references are not found in contents, such as, reference no. 5 and 7. <p>Overall comments</p> <p>The manuscript has improved a lot and I recommend hereby to publish it. Though there are very minor mistakes yet, but could be improved with a final revision. First one, the total content needs to rearrange with the recommended manuscript structure or format, like section, subsections etc. that instructed by Asian Journal of Research in Agriculture and Forestry. Provision of page numbers will help to rearrange the content. The second and important one is references. References portion need some concentration till now. References are not arranged yet according to the recommended format of Asian Journal of Research in Agriculture and Forestry. Moreover, two references are not found in contents, such as, reference no. 5 and 7.</p>
