PART 1:

Journal Name:	Asian Research Journal of Arts & Social Sciences
Manuscript Number:	Ms_ARJASS_44267
Title of the Manuscript:	Public Policy Making in Coalition Government: Challenges and Solution
Type of Article:	Review Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The revision of the paper is not enough to address the issues on the 1 st round evaluation. For example, this paper is evaluated as serious lack of theoretical framework, so it requires more review of theories on coalition government and public policy making in policy cycle such as with the public policy agenda, public policy objectives and public policy solutions and policy instruments. WHAT ARE NORMATIVE CHALLENGES of Public Policy Making in Coalition Government? I still cannot see the quantitative analysis in this paper.
