SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments		
Minor REVISION comments	<p>Most cited papers were from 10-20 years ago. So the review is not so up to date. But this paper gave relatively complete information regard the effect of diet protein on GFR and RBF.</p> <p>I recommend that the authors give more detailed subtitle, so it is easy for our readers to grab the main.</p>	
Optional/General comments
