**PART 1: Review Comments**

|  | <b>Reviewer's comment</b>  | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|--|
| <b><u>Compulsory</u></b> REVISION comments | <p><b>Explain how you selected the controls.</b><br/>The cases are patients who consulted in the renal department but it is not clear if you enrolled all patients according to the inclusion criteria or you had some specific days for enrolling these patients.</p> <p>There is no ethical issue as patient signed a written consent and the ethical committee of the hospital was also involved and gave their approval.</p> |  |
| <b><u>Minor</u></b> REVISION comments      | Line number 96: the sentence is not clear. Some words are missing to make a sense.   |  |
| <b><u>Optional/General</u></b> comments    | The article can be published after clearing the above comments.  |  |
