- **Type of Article:** Original Research Article

**PART 2:**
<table>
<thead>
<tr>
<th>FINAL EVALUATOR’S comments on revised paper (if any)</th>
<th>Authors’ response to final evaluator’s comments</th>
</tr>
</thead>
<tbody>
<tr>
<td>Further revision needed. Written in blue and highlighted in blue green</td>
<td>I have omitted/deleted “part of which were the exclusion factor” in methodology. I have deleted the statement on measuring chi-square since it was written as a test of significance between proportion in the preceding sentence under results. I have corrected comparing myopes with myopes.I now compared myopes with emmetropes in conclusion.</td>
</tr>
