

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Medicine and Medical Research
Manuscript Number:	Ms_BJMMR_31446
Title of the Manuscript:	Association of Major Depression with Serum Prolidase activity and Oxidative Stress
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Since results are correlations and this is a preliminary study, it has to be clearly explained that Serum Prolidase activity might have an effect on MDD, that is not cause-effect or action-reaction.	

Reviewer Details:
