Editor's Comment:

First of all, please send me the authors' affiliations.

I studied the manuscript number: 2017_JABB_34171 and found lots of problems.

I make decision on this manuscript after revision.

The authors have to follow the comments inside the manuscript attached to this Email and modify one-by-one exactly.

Furthermore, authors have to attend to the comments as bellow:

1- All the titles and sub-titles have to be numbered and rewrite in different font.

2- English editing is required.

3- The figures have to be cropped and merged in one (The figures shouldn't be separately).

4- Result and discussion should be rewrite to make readable for all readers.
