SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The work is very interesting and pertinent in the present moments, when working with extracts of plants of ancestral medicinal importance. Likewise, something should be described concerning the characteristics of these plants (classification, morphology and properties as background). The changes are in yellow. Care must be taken with the order in number of occurrence of the references. It should include recent references or missing the topic (some pdf are invited) that shield the present work.	
<u>Optional/General</u> comments
