Type of the Article	

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>In the organizational structure of the text, the author keep on, in several times, not putting space between the text and the first parentheses. Multiple parts of text without space after end point. And in some cases missing the end point. Specially in the abstract.</p> <p>The words "identification" and "purifications" keep on written wrongs, the author wrote "identifKation" and "purifiKation" with K.</p> <p>In table 1, please organise the first column. It keep on disalignment.</p> <p>Pay attention the punctuation in your text.</p> <p>Standardize the way of presenting the bibliographic reference and organize them.</p> <p>Please, look into review mode in Word Software. I wrote some observation, not all, but they will serve from exemplo to you.</p>
