SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Dear editor; I read the case. I think this is a quality research article. Therefore it can be published but I have a request from the authors that they would cite the article entitled "To Investigate the Effect of Colchicine in Prevention of Adhesions Caused by Serosal Damage in Rats" Surgery Research and Practice Volume 2015, Article ID 315325, 4 pages http://dx.doi.org/10.1155/2015/315325</p> <p>It would be better to mention in the text and cite in the references.</p> <p>Best regards</p>	
Optional/General comments	<p>Dear editor; I read the case. I think this is a quality research article. Therefore it can be published but I have a request from the authors that they would cite the article entitled "To Investigate the Effect of Colchicine in Prevention of Adhesions Caused by Serosal Damage in Rats" Surgery Research and Practice Volume 2015, Article ID 315325, 4 pages http://dx.doi.org/10.1155/2015/315325</p> <p>It would be better to mention in the text and cite in the references.</p> <p>Best regards</p>
